Cited document JP 3072840 corresponds to GB 2 361 581, which was filed in an IDS on March 29, 2005.

Cited document WO 99/41732 corresponds to JP 2002-50382 cited in the Japanese Office Action, and relates to US Patent Application Publication No. 2002/0050958 which was cited in the IDS filed March 29, 2005.

This information is being submitted after issuance of a Final Office Action on the merits, or after issuance of a Notice of Allowance, but before payment of the Issue Fee.

Each item of information contained in the Information Disclosure Statement was first cited in a communication received from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement.

In accordance with 37 C.F.R §§1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in §1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and Applicant(s) reserve(s) the right to prove that the date of publication is in fact different.

A check in the amount of \$180.00 in payment of the appropriate fee is enclosed. It is believed that no additional fees or charges are required at this time in connection with the present application. However, if any fees or charges are required at this time, they may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO/SB/08a be returned indicating that such information has been considered.

Respectfully submitted,  
COHEN PONTANI LIEBERMAN & PAVANE LLP
